

TEST REQUEST FORM

Format No: EIPL/FM/91B

Sample Id:

Date:

REPORTING INFORMATION Name of Customer: Address: Phone No.: Email ID: Contact Person:	INVOICING INFORMATION Name of Customer: Address: Phone No.: Email ID: GST:						
Mandatory Information required on test report- Please specify below							
Sample Description : Colour : Style No. : Article No./Ref. No. : Composition : Sample Condition = Sample Quantity =	Order No. : Buyer's Name : Buying House Name : Country of Destination : End Use :						
Type of Test Method (Please Specify Below)							
ISO ☐ ASTM-D ☐ IS ☐ AATCC ☐ APHA ☐ Any Other _____							
Please Mark your test request below (as applicable)							
<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <th style="width: 50%;">Textile Testing</th> <th style="width: 50%;">Water Testing</th> </tr> <tr> <td> Colour Fastness test: Crocking / Rubbing Washing (At 30/40/50/60...deg.) Water Perspiration Light Laundering Sea Water Washing AATCC 61 Chemical & Analytical test: Fiber Identification Fiber content PH Value Scouring loss Water soluble matter </td> <td> Shrinkage D.C on soaking in water Physical tests Thickness of fabric Fabric construction Fabric Weight Tear Strength Tensile Strength Seam Slippage / Strength Pilling (ICI) No. of rubs / cycle: _____ Required after wash: Yes / No. Crease recovery angle Breaking Strength Bursting Strength Dimensions Water proofness test cone test Twist Linear Density of yarn </td> </tr> <tr> <td></td> <td> pH Electrical Conductivity Turbidity Total Hardness Calcium Magnesium Total alkalinity Total Dissolved Solid Iron Silica Fluoride Chloride Sodium Potassium Sulphate Phosphate Oxygen absorbed at 4hrs Nitrate Total solid </td> </tr> </table>		Textile Testing	Water Testing	Colour Fastness test: Crocking / Rubbing Washing (At 30/40/50/60...deg.)
